Plan Year:	2022

Ten (10) Essential Health Benefit (EHB) Categories:

Ambulatory patient services (outpatient care you get without being admitted to a hospital) Emergency services

Hospitalization (like surgery and overnight stays)

- Rospitalization (the Surgery and overnight says) - Laboratory services - Mental health and substance use disorder (MH/SUD) services, including behavioral health treatment (this includes counseling and psychotherapy) - Pediatric services, including oral and vision care (but adult dental and vision coverage aren't essential health benefits) - Pregnancy, maternity, and newborn care (both before and after birth) - Prescription drugs

- recentive and wellness services and chronic disease management - Rehabilitative and habilitative services and devices (services and devices to help people with injuries, disabilities, or chronic conditions gain or recover mental and physical skills)
